President's Letter

Happy New Year. I hope everyone had a wonderful Holiday. I would like to take this time and give a well-deserved shout out to our outgoing President Jim Pritchard for his commitment over the last six years serving as President and as an Interclub Representative. I would also like to thank all of last years board members and committee members for their service as well.

As we head into the winter, we have a few upcoming events. First is the Interclub Bluefish Banquet. It is being held on Friday Night January 31st. Next up will be our Annual Awards Dinner. Look's like it will be on Saturday February 22nd. Location is still to be determined but will be ironed out shortly. We are looking at around \$35.00 per head with a cash bar. There will also be an amazing raffle. We will have a sign-up sheet at our next general meeting with all the details.

Depending on the weather, I will be spearheading an Ice Fishing outing with the help of Graham Lapham. It all will revolve around the safety of the ice. There will be food, beverages and prizes for largest fish and maybe a Calcutta of some sort. Dates could be Sunday February 2nd or the following weekend. Let's hope the temps cooperate.

It's not too early to start thinking about our annual tackle auction. Target date would be April 4TH. I think the format we used last year work out very well. We will sell tables on a first come first serve basis, charge a nominal entry fee and have the food truck. Jack Wallace is working on firming up the space.

At our upcoming meeting on January 29th I will be giving a demonstration on Tube n' Worm fishing. I will be showing the tackle we use as well as techniques I learned. If you haven't fished this method, I will assure you it is fun easy and productive. Best part of all it can be used any time of the day.

There are many more fun and exciting things that we will be doing as a club this year. Bowling, Fishing, Casino? Let me hear some input at our next meeting. Hope to see you all there.

Tight Lines!

Paul Gluhanich
