## President's Letter

Well here we go headed into that dreaded time of the year. The cold weather is slowly making its way in. On the bright side its blackfish time. Early reports have been very encouraging. Those of us that have ventured out have had some great success. Let's hope it continues to get better and that the weather and wind cooperate better that it has in past years. Also, we have many events to look forward to at this time of the year. Our annual meeting in December will be our pizza celebration night. The club will be buying pizza in celebration of our interclub victory and for member appreciation. This is also our annual meeting and officer election night. We ask and hope that everyone will attend. Rolling further into the winter we have our annual awards banquet. Always a great time with great food and the presentation of our yearly fishing awards. This is one you won't want to miss. Following our banquet is the interclub banquet. We will be celebrating our victory as the 2017 champs. This is a limited ticket event so you will want to sign up as soon as the tickets are available.

For all the above reasons it is important that you attend the monthly meetings in the upcoming months. All the information, sign up, and details will be provided at the meetings.

There are also some other activities being discussed to get us through the winter and have some fun. There is a bowling night being planned and discussion of having some special events at the monthly meetings. Your input and ideas are always welcome so feel free to make any suggestions that you think will be of interest.

For those of you that haven't noticed they have begun dredging the Housatonic river, nobody is sure how this will affect the fall fishing but we will surely find out soon. Also, some very good news about the Milford duck ponds. Dredging will begin there at the end of October. This should mean that they will be ready and perfect for the trout derby. This is the perfect year for this to happen being it is the 50th year of the trout derby. This is a huge landmark for the club and we hope to make this year's very special.

Let's make this winter fun and interesting and plan on making next year being the clubs 50th anniversary one of the most memorable. Thank you ALL for your membership and participation! Let's keep the tradition going and have many more years as a great club!
