## President's Letter

Well as quick as it was, we have reached the end of summer. Not to worry though there is a lot happening as we move forward. The fall fishing begins. Striper action will begin to pick up and the reports of Albies in the area are stirring some great excitement. Then we move into blackfish. Hopefully the winds will lay low this year to give everyone the opportunity to get out.

This weekend is our striper shootout. Hopefully the turnout will be good. It's been fun having our new style tournaments and seeing the increase in participation. It's nice to attend the weigh in, have a burger or dog and hang out with everyone. It's always a good time.

It's also time to start looking forward and planning our annual banquet, and of course attending the interclub banquet .This year we get the trophy back where it belongs and celebrate our victory.

So as we settle in we look forward to some new activities and events. The addition of new things like our club boat trip gives us more time to fish together, enjoy each other's company, and be in a relaxed environment. We are hoping to plan some other new events and keep things interesting. Let's keep things moving in the right direction and have the club grow successfully.

Thank You all for your membership and participation! It's because of ALL of you that we are the best and most successful fishing club in the area!
