President's Letter

As hard as it is to believe we have reached the end of another year and fishing season I'd like to wish everyone a happy, healthy and awesome holiday season! We have many events coming up and lots of exciting things as we head into our 50th year as a club. This club has a long and great history and as we move forward we will strive to keep it going stronger and better each year.

Catching up on the last month I have to say that our final tournament of the year was awesome! Thanks to the fishing committee for putting together the best tournament that we have had! The final tournament was a blackfish tournament that had over forty entries. The fishing was good, and everyone had a great time. It was great to see everyone show up for the weigh in and enjoy each other's company. We all had some good food and time together. Thanks to Graham, Lynn and Jen for putting together some great warm food on a chilly day. Congratulations to Joe Gallo who took first place, followed by Paul Resigno in second. John Frione took the Calcutta. Great job guys!

Now as we move forward we have our annual meeting on December 13th. This is one you won't want to miss. The club will be buying pizza for our members. We will be holding our elections, taking care of end of year business, and celebrating our interclub victory. There is going to be a great raffle, and, we will be previewing a new shirt design that is very cool. And we will be collecting Toys for Tots. Please bring an unwrapped child's gift and we will forward them all to the proper organization.

We also will be giving out the details on our annual awards banquet. All the plans have been put in place and Graham will have all the details and sign-up sheet with him. We also will hopefully have the tickets for the interclub banquet on January 26th. The ticket printing schedule was running close to our meeting so hopefully we will have them by meeting night. If not, we will have a sign-up sheet as well. All the details for both events will be available so if you plan on attending either or both its important that you attend the meeting.

We really have a lot happening in the upcoming months so please attend this months meeting on the 13th!

I really want to thank each member for making this year a special one and wish you all Happy Holidays!
