President's Letter

This has been a month of emotional highs and lows. As we all know we lost a great member and a great friend. The loss of Joe Regan affected everyone in the club. His great sense of humor, his friendship, and his huge heart will be missed by all. As we all know Joe was a guy who would be there for anyone, anytime. And even after his passing he brought everyone together in an amazing way. He will truly be missed and never forgotten.

As we all rallied together we headed into the Interclub bluefish tournament. We had more motivation than ever going into the competition. The heart of the club came out in full force in Joe's memory and we took the tournament in a big way. We won by approximately 39 pounds. Congratulations to all that fished, and to Tom Boyle JR, who had the heaviest boat! Tom and his crew put together 33 plus pounds. The specifics are hard to quote as we are waiting still for the official results. I must say thank you to all, who for weeks put in all the hard work looking for fish and keeping their finger on the pulse of what was happening on the water. I know Shawn Lalond and Joe Palumbo and their crews were out on the water daily for weeks before, searching for bluefish. We have an amazing group of people in our club that work together and stick together! Our victory photo of the club all wearing and displaying our "MSBC STRONG JOE" bracelets is a moment in time that we will all never forget.

The week following our Interclub victory we had our annual picnic. Everyone that I have gotten feedback from felt that this may have been the best one ever. The food was awesome and plentiful and the desserts were over the top. A new twist this year was the whiffle ball games. Everyone was into it and even if you weren't playing it was fun just to watch. There was a special closeness this year. It seemed as if everyone appreciated and enjoyed each other's company more than ever. As I said earlier we all came together in an amazing way. Thank you, Joe Regan.

FISH ON! Jim
