PRESIDENTS LETTER

August is flying by, and there's plenty happening at the Milford Striped Bass Club!

Our next **General Meeting is Wednesday, August 26th**. We'd love to see everyone there, and bring a friend! We'll also be taking picnic signups, so please make sure to sign up by the meeting for our September 19th picnic.

Our new *MSBC Member Rewards Cards* are currently in production, and we're hoping to have them in the hands of our members soon. The cards will provide access to special discounts and benefits from participating local businesses, with more businesses hopefully joining the program in the future.

Don't forget, our *MSBC Apparel Shop* is always open! If you're looking for some club gear, remember to place your order by the 15th of each month.

🎣 ***The Porgy Shootout is this weekend!*** Registration closes Friday at 8:00 PM, so get signed up and get out there!

We're also about 95% finished with our new website! Be sure to check it out and explore the calendar of events, fishing schedule, current leaderboard, member rewards, sponsors, photo gallery, and more.

🎣 **Fishing Report**
The striped bass bite is still holding strong, with the best windows for success continuing to be 7 PM–7 AM. The Sound has porgys galore, fluke are starting to make a showing again, and more keeper sea bass have been coming over the rails.
Bluefish have started hanging around their usual summer spots, with fresh chunks, trolling, and diamond jigs all getting attention. Snapper blues are running good, making for some great eating or some killer bait for that doormat fluke. 😉
There's still plenty of summer left, so get out there and enjoy it!

Mike Lapuglia - MSBC President

Don't forget to sign up for the **Yearly Calcuttas!**

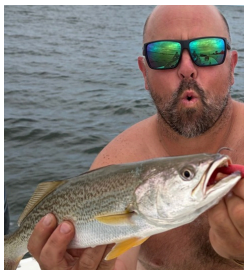

Sign-ups are open to club members only and can only be completed at General Meetings.
If you're interested, please see Joe Gallo at the meeting for details and sign-up information
